nature. The town has a long tradition of winemaking, fishing, shipbuilding and tourism, and is also a transit port. Pula has been the administrative center of Istria since Roman times. Today, around 67,000 people live in the inner city area, but the area that gravitates towards it every day, and due to a combination of circumstances, is not administratively included in the structure of the city, although, in fact, it is an integral part of it, has more than 100,000 inhabitants. In beautiful Premantura, this large apartment house of 420 m² is for sale. The house lies on an area of 784 m². It has 4 apartments, a smaller apartment in the basement, and a comfortable apartment on the ground floor consisting of a living room, a dining room with a kitchen, 2 bedrooms, a bathroom with an additional toilet and a large terrace with access to the pool. There are two studio apartments on the first floor, and another apartment on the second floor. The house comes with a garage with space for two cars. Until now, the villa has been used for tourist purposes, it is categorized and has excellent occupancy. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 28649
