a radius of only 80 meters, and the town center is only 200 meters away, which offers a variety of facilities and recreational opportunities. The apartment consists of a hallway, a kitchen connected to a dining room and a living room, which together create a functional space for meals and socializing. The apartment has a bedroom with a bathroom that increases privacy, an additional bathroom and toilet, and two more bedrooms. A special feature of the apartment is the terrace, which provides space for outdoor relaxation and offers the possibility of installing a jacuzzi or even a smaller pool, creating a private corner for enjoyment and relaxation. Next to the terrace is a garden, further enriching the space with natural greenery. The apartment is equipped with underfloor heating, providing warmth in every corner, while all rooms are equipped with air conditioners for optimal air conditioning. The building is covered with a 10 cm thick EPS thermal envelope, which guarantees a comfortable temperature during all seasons and achieves high energy efficiency. During the construction, extremely high-quality materials were used, which ensured not only durability, but also the aesthetic appeal of the space that will last for many years. This apartment is being sold unfurnished, giving future owners the freedom to personalize the space according to their own preferences. There is the possibility of purchasing a garage parking space and a storage room on minus one floor, which ensures practicality and safe space for parking and storing personal belongings. Nearby is the islet of Prvić, and the center of Šibenik is 12 km away. The city of Split is 69 km away, and the nearest airport is 49 km away. There are several National Parks and Nature Parks in the area. Kornati National Park, also known as the pearl of the Adriatic, is located in the immediate vicinity of Šibenik. A little further north is the Vrana Lake Nature Park, a natural ornithological reserve with rich flora and fauna.
