Description

Description: We present an exclusive building plot of 1081m², located in the first row along the coast, offering an extraordinary view of the endless blue of the Adriatic Sea. Located in an idyllic little village, this plot of land offers an outstanding real estate investment opportunity. There are two existing apartment buildings on the land, each with two spacious bedrooms, a bathroom and a kitchen. These facilities represent the basis for further development, but the future owner has the freedom to demolish them and build a new facility according to his own vision. In addition to the spectacular view of the sea, the land stands out for its close proximity to the beach, which makes it an ideal choice for those who appreciate the comfort and exclusivity of marine life. The location of the land offers an extraordinary opportunity for the development of a tourist or residential complex, with the possibility of renting or enjoying the Mediterranean atmosphere on your own. Don't miss the opportunity to own this waterfront gem, where you can realize your dreams of an ideal home or an investment with an extraordinary return. Do not miss this opportunity, contact us with confidence and contact us today!
