Description

Description:	<p>ATTRACTIVE LAND ABOVE OPATIJA WITH PANORAMIC VIEWS OF THE ENTIRE KVARNER BAY Opatija is a popular summer resort founded almost 170 years ago by the Austro-Hungarian Monarchy as a health center for people suffering from lung diseases. Today, Opatija is a very lively city with many coffee bars, restaurants, nightlife, shops, beaches and the nearby marina in Ičići. Opatija has a unique combination of sea and mountain air. One of the attractions of Opatija is Lungomare - a 12 km long coastal promenade that connects places on the Opatija Riviera - Volosko, Opatija, Ičići, Ika and Lovran. The land we offer is located in a small town above Opatija. It is the last major building plot available within the borders of Opatija and has direct access to the main state road. Along the terrain there are utility connections (water, electricity, sewage). The size of the land offers the potential to build several houses. The elevated position of the terrain itself offers a fantastic view, direct access to numerous trails for exploring the Učka National Park and the Učka Mountains, and the advantage is the proximity of Opatija. A special feature of this land are the incredible views of the Kvarner Bay, the islands of Krk and Cres.
