Description

Description:	<p>In a small settlement near the medieval town of Barbana, we are selling an old house for renovation. The town of Barban is famous as one of the towns with the most famous cultural heritage in Istria and the traditional knightly game of the Ring Race, which gathers many fans of traditional events every year and in a short time restores a special medieval atmosphere to this town. This old stone house is located just a few minutes from Barban. The house has a total square footage of 280 m² and extends over three floors and a high attic from where there is a beautiful, unobstructed view of the surrounding landscape and the sea. There is a tavern on the ground floor of the house, followed by a 30 m² stable. The house needs to be completely renovated, and the water and electricity infrastructure is</p>

right next to the house. The larger part of the garden of 1985 m² is located opposite the property and is sold separately. Restaurants and shops are located at a distance of 2 km, the nearest beach is a 15-minute drive away, and the airport in Pula is only 20 minutes away. With an investment, this house would be ready to rent for tourist purposes, pleasant weekends and a perfect holiday in a traditional Istrian village.
