Description

Description:

Labin, Rabac, building plot with sea view We proudly present this extraordinary building plot located in magical Labin, one of the most picturesque places along the Istrian coast. With an area of 855 square meters, this plot offers not only space for your future construction, but also a stunning view of the endless blue of the Adriatic Sea. Enjoy a spectacular view that will take your breath away every morning as the sun rises above the surface of the sea, creating a magical play of light and color. This incredible view will not only enrich your daily life, but will also give you a sense of peace and tranquility. Located in a peaceful environment, this plot offers a perfect balance between privacy and proximity to all important amenities. The distance from the town of Labin and all its sights, as well as beaches and restaurants along the coast, makes this land extremely attractive. Considering its area, this land offers unlimited possibilities for the realization of your construction dreams. Whether you plan to build a family house, a villa with a swimming pool or even a tourist facility, here you have the space and flexibility to realize all your ideas. This building plot is not only an investment in real estate, but an investment in your future and quality of life. Experience the charms of the Istrian coast from the comfort of your own home, surrounded by the beauty of nature and a sense of freedom. Do not miss the opportunity to become the owner of this exceptional land with a sea view. Contact us today to find out more and make your dream home come true. Thank you for your interest. We look forward to helping you achieve your real estate goals! ID CODE: 2000-1096
