Description

Description: Rabac is the most important tourist center on the east coast of the Istrian peninsula, about 40 kilometers from Pula and only five kilometers from Labin. Leaning on the Kvarner Bay, at the foot of the hills that protect the place and maintain a pleasant Mediterranean climate, Rabac is rightly known as the 'pearl from Kvarner'. The beautiful environment, beautiful pebble beaches, pleasant climate and view of the Kvarner Bay attracted tourists and travel writers as early as the middle of the 19th century, when Rabac was just a small fishing village. An excellent family apartment is for sale in Rabac, located on the second floor of a beautiful and well-maintained building. It consists of 3 bedrooms, two bathrooms, two hallways, a kitchen with a dining room, a living room, a laundry room, and two large terraces with a view of the sea, totaling 150m². The apartment is equipped with air conditioning and central heating with radiators in all rooms. It is sold equipped and fully furnished. The apartment also has a 23m² garage with electricity, and a 9m² boiler room on the ground floor of the building. An excellent property for family life on the sea, or as a tourist investment, given that the apartment can be divided into several residential units. ID CODE: 1564
