with a view of the sea, ideal for those who like to enjoy the open. The apartment comes with one parking space provided for tenants. With 10 cm thick insulation on the walls and an air conditioning unit that provides a comfortable temperature throughout the year, the apartment ensures energy efficiency and comfort. The large window walls are equipped with electric shutters and three-layer anthracite-white glass, providing privacy and isolation from the outside world. Security is also a priority, as the doors are burglar-proof and fire-proof. High-profile ceramics make this apartment easy to maintain, making it an ideal home for comfortable and elegant living. The planned completion of construction is 2024. The apartment is located only 5 minutes' walk from the nearest beach in the beautiful town of Mandre, on the unique island of Pag. Pag is an island with unique nature, known for its lace, cheese and lamb. But Pag is more than all this, it is an island of beautiful, clean beaches, located all over the island, to which landscape roads lead you to. In one moment, you are looking across the sea at the beautiful Velebit mountain that stretches across the horizon, and in the next moment you are looking at the vast Blue Adriatic Sea with scattered islands and islets.
