Description

Description: Exclusive apartment - apartment for sale in Divčibare, in the Zlatni breg settlement. The apartment is positioned in a perfect place, from where there is a

fantastic view. Construction in this part is no longer allowed, so untouched nature remains to adorn this complex. The front side of the building leads to a well-maintained pedestrian path, and the rear side has a car access and parking lot. Natural materials were used for construction. The apartment is sold fully furnished with new furniture and all appliances, and with all utensils, glasses, glasses, and other things so that it literally has everything. It has remote setup communication. Underfloor heating is installed in the apartment. As an agent, I can recommend that this is a good opportunity to buy, due to the quality of the construction of the building and the layout of the apartment, the position itself, and the increasing attractiveness of Divčibar, both due to its proximity to Belgrade and its beautiful nature. Divčibare's beautiful air spa provides rapid recovery of the body, and is always attractive to athletes and mountaineers and is visited throughout the year.
