Description

Description: NEW PROJECT ANNOUNCED!!! LUXURIOUS NEW BUILDING IN AN IDEAL LOCATION!! Medulin - a modern building of new construction, divided into three floors (ground floor, first and second floor), with a total of three residential units, in nature one apartment on each floor. EQUIPMENT: all apartments are equipped with high-quality three-layer PVC carpentry in anthracite color with electric shutters, and mosquito nets on all windows (glass walls are lift-and-slide without a threshold). Heating and cooling is provided by air conditioning in the living room and bedrooms, and electric underfloor heating is provided throughout the apartment. Sanitary ware and large-profile ceramics are of

the highest quality, which will radiate elegance, while the bedrooms have laminate (in agreement with the investor, the possibility of choosing according to your own wishes). The building was built using the highest quality construction system, with superior sound and thermal insulation, while the entrance to the apartment is secured by a security door. Also, they will have TV and antenna connections in every room. There is a 35 cm parapet on the terrace and a glass fence will go on it. LOCATION: an elite location, five minutes' walk from the popular Medulin beach, is a real gem for all those looking for a luxury property that will fulfill all their urban lifestyle needs. The project was designed to satisfy all the wishes of the customers, and the emphasis was placed on the clear use of space, as well as the high-quality construction and appearance of the interior. The apartments feature the highest level of state-of-the-art technology in terms of installations, while energy efficiency meets the highest standards. The apartment in question is located on the first floor, with a total usable area of 84.77 m². And it consists of a hallway, living room + kitchen + dining room, hallway, three bedrooms and two bathrooms. The highlight of this apartment is the spacious terrace with a beautiful view of the sea, with the most beautiful sunsets. The apartment has 2 parking spaces in the yard. The possibility of buying a storage room under the stairs and part of the garden. Medulin is a small tourist town, ideal for rest and relaxation. Located about 10 km from the city of Pula, it represents a unique combination of a pleasant Mediterranean climate, preserved nature and lively tourist everyday life. Numerous sights delight visitors, and beach lovers will love this area, as there are beautiful beaches and coves to discover. If you are a fan of longer walks, you can take a walk along the promenade along the coast, because it is truly incredible, with a multitude of bars and restaurants that complete the idyll of numerous outdoor events. Planned start of construction in October 2024. Buyers do not pay 3% tax, because the investor is a legal entity. For more information, feel free to contact me at the number: +385 95 2777 177
