This spacious, comfortable house with an area of 198.53 m² is located on a plot with a total area of 419 m². There is one two-story unit available, with an additional room that can be used as a tavern/garage or an apartment (depending on the wishes of the future buyer). On the ground floor there is a spacious living room with a kitchen, a bedroom with its own bathroom, an additional toilet and a storage room under the stairs. The internal stairs lead to the

first floor, where there are two bedrooms, each with its own bathroom and balcony. There is also a roof terrace of 38.36 m². From the functional kitchen and living room, you go out to the yard where there is a swimming pool (300cm x 544cm) with automatic technology, so that you can enjoy the Mediterranean atmosphere and get together as much as possible. In addition to the pool, you can refresh yourself in the sea, because the nearest beach is only 200 meters away. The interior delights with top-quality ceramics, and provides an elegant and sophisticated look to any space. This beautiful property has been designed with attention to detail and offers the perfect blend of modern luxury and Mediterranean charm. The yard is nicely decorated, completely fenced with an automatic irrigation system. And for additional security there is video surveillance + alarm system.
