Right here, near the ACI marina Pomer, which is located in the deepest part of the Medulin Bay, this impressive newly built house with a swimming pool is located. This spacious, comfortable house with an area of 188.19 m2 is located on a plot with a total area of 466 m2. There is one two-story unit available, with an additional room that can be used as a tavern/garage or an apartment (depending on the wishes of the future buyer). On the ground floor there is a spacious living room with a kitchen, a bedroom with its own bathroom, an additional toilet and a storage room under the stairs. The internal stairs lead to the

first floor, where there are two bedrooms, each with its own bathroom, one of which also has a balcony. There is also a roof terrace of 38.36 m2. From the functional kitchen and living room, you go out to the yard where there is a swimming pool (350cm x 580cm) with automatic technology, so that you can enjoy the Mediterranean atmosphere and get together as much as possible. In addition to the pool, you can refresh yourself in the sea, because the nearest beach is only 200 meters away. The interior delights with top-quality ceramics, and provides an elegant and sophisticated look to any space. This beautiful property has been designed with attention to detail and offers the perfect blend of modern luxury and Mediterranean charm. The yard is nicely decorated, completely fenced with an automatic irrigation system. And for additional security there is video surveillance + alarm system. All rooms are air-conditioned, and the whole house has central underfloor heating. Private parking with 2 parking spaces is available in the yard. The house is fully equipped and ready to move into.
