Description

Description: Poreč, surroundings, old town with renovation started! For sale is an old building with a sea view in a quiet street of a small Istrian town 15 km from Poreč. In the immediate vicinity there are shops, restaurants, post office, school, kindergarten, clinic and pharmacy. The house is located on a plot of 284 m² and its area is 210 m². The house extends over three floors. The house is partially adapted. The current owner changed the roof, exterior carpentry, made two concrete slabs and changed the beams on the first slab. Electricity and water only need to be connected and the current owner will do that in the price. With a little imagination and adaptation, this house can be an ideal investment for a vacation home with a pool as well as a family home. ID CODE: 1022-483
