Description

Description:	Poreč area, building land ideal for living in a quiet place! This fantastic building plot is for sale in a quiet place only 15 minutes' drive from the city of Poreč and its beaches. Due to its position, the land offers a wonderful view of nature and the
--------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

surrounding landscape. Its total area is 1058 m². Given its size, the land allows the construction of a family or multi-family house, a semi-detached house or a holiday villa. Also, there is a possibility of buying an agricultural part in the continuation of this land for additional facilities and a very spacious garden. Electricity and water are located near the field. The place is world famous for Istrian prosciutto. In the village there is a shop, post office, school, kindergarden, nursery school, children's playground, catering facilities, pharmacy, which ensures easy availability of all necessary facilities for life. Poreč and beautiful beaches are only 20 km away. This land offers unlimited possibilities for creating a family life or an investment project. ID CODE: 1039-6
