Description

Description: Poreč area, fantastic modern villa with pool! This fantastic modern prefab villa with a swimming pool will be located in the town between Poreč and Novigrad. Its total size will be 114 m² and it will consist of two floors. On the ground floor of the villa there will be a spacious living room, dining room and open space kitchen, toilet, technical room and wine cellar. From the living room, there will be direct access to the covered terrace where there will be a swimming pool and a yard. The villa will be heated by means of a heat pump and an air conditioner, which will also serve to cool the villa on hot summer days. The internal staircase leads to the first floor, where there will be three bedrooms, each with its own bathroom, one of which will be the master bedroom. The garden in front of the villa will be planted and decorated with Mediterranean plants, and the central place in the garden will be occupied by a swimming pool with a sunbathing area that allows full enjoyment on hot summer days. In the village there are catering facilities, a school and kindergarten, a post office, a shop, a church, tourist camps and paths for a pleasant walk in nature. Poreč and the beaches are only 9 km away. The first beaches are only 1.5 km away. The planned completion of construction is spring/2024. Due to the high quality of construction, this beautiful villa is an ideal investment for family life. ID CODE: 1031-477
