## Description

Description: Istria, Rovinj Rovinj is a city that year after year attracts more and more visitors, as well as people who decide to live in the Mediterranean region. A step away from the old town center and near all facilities and beautiful beaches and promenades, there is an older multi-apartment building, where the apartment for sale has found its place. Nearby there is a shop and all necessary facilities for life. The apartment is located on the fourth floor in the mentioned building, and has an approximate square footage of 64m<sup>2</sup> and consists of a living room, a kitchen, two lighted bedrooms and a bathroom. There used to be a small terrace that can be opened again to enjoy the sun's rays. It is essential to mention that this apartment has a beautiful view of the sea and the old town. The apartment comes with a woodshed in the basement. Considering its composition and location, the apartment is ideal for living with families with children or for tourist rental during the summer season, given the high demand for them. With a little imagination and renovation, this can be a great property for you to start making new memories! ID CODE: 1029-299
