Description

Description:

In the surroundings of the increasingly well-known Istrian medieval town of Svetvinčenta, in one of the many settlements that belong to the municipality of Svetvinčenat, is located this exceptional autochthonous Villa with a decorated interior and exterior that fit perfectly into the traditions of the place. This beautiful Villa consists of a ground floor and a first floor, and has a total square footage of 180 m². The ground floor includes a comfortable living room, dining room and kitchen. There is also one bedroom, a bathroom and a laundry room. There are three more bedrooms on the first floor, one of which is a master bedroom with its own bathroom and a balcony with a beautiful view over the olive groves and the sea. The remaining two bedrooms share one common bathroom. Each room is decorated with a combination of functional modern and traditional style that provides a feeling of comfort and well-being. The house has underfloor heating in the bathrooms and installed air conditioners in all bedrooms as well as in the living room. In addition, there is a built-in fireplace in the living room that heats all the rooms in the house with a warm air exhaust system, and in addition to a visually pleasant environment, it also offers the possibility of staying in the property all year round. The yard covers 1023 m², is completely fenced, neat and maintained with great care. There is parking for 3-4 vehicles, neat green areas and planted greenery, and a beautiful heated swimming pool of 35 m², which forms the crown of this beautiful Villa. There is also a covered terrace with a summer kitchen and a dining table with a relaxing view of the pool and garden. The property is in a nice location in a quiet environment with a neat access road. It is located only 3.5 kilometers from the beautiful town of Svetvinčent and all its facilities, as well as a handful of events that extend throughout the year. It also has a well-established tourist rental business, which the future owner has the option to take over and continue or keep this beautiful Villa for himself as an escape from the city crowds and unrest in a picturesque, quiet place enchanted by tradition.
