#### Description

Description: Barban, south of Istria, building plot of 44,991 square meters. We are selling a large construction plot, the plot has a total of 44,991 square meters and is completely constructed with a detailed urban plan. According to the current

subdivision proposal, it is possible to get 53 separate building plots on the land with the necessary access roads. The land represents an unusual investment for its size. The location of the land offers privacy and peace, as well as the late nature and open view. ID CODE: 2000-898
