Description

Description: Barban, south of Istria, secluded estate with a stone house and 3 auxiliary buildings, garden area of 1452 square meters. We are selling a beautiful estate in the very south of Istria, the estate consists of a total of 4 buildings and a beautiful garden. The house has an area of 165 square meters and next to it there is an apartment of 55 square meters, an auxiliary building of 20 square meters and a covered gazebo. The yard is covered with trees and grass, and the location offers a beautiful view of the surrounding nature and hills. The buildings have been partially reconstructed and are in need of renovation and decoration, electricity and water connections have been installed, as well as waste and storm water supply. The entire estate and its garden are included in the construction area, and it is possible to build additional buildings and ancillary facilities such as a swimming pool, garage and additional residential units. The property is really special due to its location and the potential it offers. ID CODE: 2000-893
