Description

Description: Labin, surroundings, we are selling a newly built vacation home with a swimming pool of modern design in an attractive location. The ground floor with a total area of 197 m² consists of an open space that combines a comfortable living room, dining room and kitchen with access to a covered outdoor terrace, two bedrooms with a shared bathroom and one en-suite bedroom with its own bathroom. There is also a guest toilet, a storage room and a laundry room. Floor heating is installed in all bathrooms, and heating and cooling are regulated using a heat pump. In the living room, there is also a closed wood-burning fireplace for an additional atmosphere, which ensures a pleasant stay in this house throughout the year. The yard is completely fenced and landscaped with secured parking. The total area is 854 m², and the crown of the garden is certainly the beautiful heated swimming pool of 36 m² with an arranged sunbathing area. The property is currently under construction and the planned completion is in the spring of 2024. It is sold according to the "turnkey" system, i.e. completely finished with installed heating and cooling systems, as well as with a landscaped garden and a finished swimming pool. The future owner is left with the choice of furnishing the property according to his own wishes and tastes. A quality property worthy of attention in a highly sought-after location close to all necessary facilities. It offers the future owner the option of tourist rental where a quick return on invested money is guaranteed, but we can also imagine it as a cottage that the future owner will keep for himself and enjoy a luxurious vacation in his own piece of Istrian paradise. The location is also excellent, in the newly built part of the village and near all the necessary facilities such as shops, restaurants, cafes, and the center of Labina is only 6 kilometers away. The first beach is 11 kilometers away. ID CODE: 2003-391
