Description

Description: Žminj, surroundings, building plot in a quiet location. The land has a total area of 1564 m² and is completely within the construction zone. It has a regular shape and a slight slope. The necessary infrastructure is located near the field (water

infrastructure is right next to the field and electricity is a few meters away). Access from the paved road is provided. It is very conveniently located, surrounded by forest and green areas, and has excellent traffic connections at a distance of 3.4 kilometers to the town of Žminj, where there are all the necessary facilities for a permanent life. The land is ideal both for the construction of a family property in a location that offers peace and privacy, and for the construction of a vacation home with a swimming pool in the center of green Istria.
