## Description

Description: Istria, Labin, new holiday home with swimming pool. We are selling a new holiday house with a swimming pool. The house is located on the East coast of Istria, only 3.5 kilometers from the town of Labin. The house is surrounded by nature and the neighboring houses are also holiday homes. The settlement is beautifully decorated, and facilities such as shops, pharmacies, and all other facilities necessary for everyday life, as well as restaurants and cafes, are only a few minutes' drive away. The house is currently under construction, it is being sold completely finished with a landscaped garden. The total area of the house is 107.75 square meters with a pool of 32 square meters. The house is built in a traditional style as a one-story house with two bedrooms and two bathrooms. The living area combines the kitchen, dining room and living room into one large space with a functional layout and lots of daylight. The house will be equipped with heating and cooling using a heat pump, underfloor heating in the bathrooms, and a wood-burning fireplace in the living room for a complete atmosphere. The house will be energy independent with solar panels for electricity production. The large garden will be fenced and decorated in a traditional Mediterranean style, in the central part there is a large pool with an arranged sunbathing area. ID CODE: 2000-881
