#### Description

Description:	Istria, Buzet area Building land for sale in a quiet location with a conceptual project in the vicinity of Buzet. The area of the construction land is 2122 m2. The
--------------	---

purpose of the land is residential. Electricity is on the land, and water is nearby. There is a landscaped and paved access road to the land itself. The land offers an open view of the beautiful Istrian landscape. Along with the land, a conceptual project for the construction of a modern villa with a swimming pool and tennis court is also for sale. The land is located in a quiet location only a few minutes from Buzet. Nearby there are numerous restaurants, agritourisms, wineries, promenades, bicycle paths and various other amenities. Considering the quiet location and the open view from the land, as well as the interesting project, it is an ideal plot of land for the construction of real estate for vacation and tourism, as well as for year-round living.
