Description

Description: Istria, Momjan, surroundings Just a few minutes' drive from the beautiful towns of Grožnjan and Momjan, located in a quiet Istrian settlement, in the middle of enchanting greenery, we find this perfectly designed new building. The house extends over two floors of the open-space concept. On the ground floor there is a living room with a dining room and a kitchen, from which there is access to a spacious yard, swimming pool and sunbathing area. There is a bedroom with a bathroom on the first floor. The house was built in the Istrian style, with details of stone, glass and wood. Light and nature are the basic elements that have been successfully integrated into the design and architectural solution of this property in order to show the famous ease of living in Istria in a beautiful way. Considering the location and content of the property, it can be a very good investment for a vacation home. An interesting property that is not often found on the market, it is ideal for all lovers of traditional Istrian places and landscapes. The border with Slovenia is just a few minutes' drive away, as well as the beautiful towns of Grožnjan and Momjan, as well as various restaurants, shops, cafes, promenades, bicycle paths and various other necessary amenities. The sea is half an hour's easy drive away. ID CODE: 1027-283
