The floor represents the night part with three bedrooms, each with its own bathroom and exit to the balcony with a beautiful panoramic view of the surrounding landscape. Air conditioning is installed in every room and underfloor heating in the bathrooms. The complete interior space has a lot of natural light provided by large glass walls on the ground floor and on the first floor, while at the same time offering a pleasant view of the garden and greenery from every corner of the house. The glass walls on the ground floor are a link to the outdoor covered terrace where there is a summer kitchen and a dining area with a view of the pool and garden. There is also an outdoor toilet and the engine room of the pool. The yard has a total of 4,832 square meters, which primarily ensures the peace and privacy of the property, and contains beautiful green areas, an olive grove and a beautiful heated pool of 80 m². The first beach, shop and restaurant are 2.5 kilometers away, and the town of Labin with excellent restaurants, shops, beautiful galleries and museums is only 10 km away. This unique property, due to its location, design and the contents it offers, represents a real opportunity on the market. It is certainly desirable as a
