Description

Description: Istria, Rovinj Not far from the town of Rovinj, or rather in its suburbs, there is a beautiful building in a quiet settlement. The modern building has found its place among family houses, which is an excellent indicator of the location, while all city facilities are only a few minutes' drive away. The planned completion of construction is March 2023. The apartment for sale has a square footage of approximately 74m² and is located on the ground floor of the aforementioned building. It consists of a living room with a kitchen and a dining room, two bedrooms, a bathroom and a toilet. From the living room you can access the balcony where you can enjoy the fresh air, while the entire apartment has large windows and is extremely well lit. The apartment also comes with a parking space. Take advantage of the opportunity, this apartment has perfect predispositions for building a family life in a quiet settlement, and it can also be used for tourist rental due to the increasing demand during the summer months.
