Description

Description: Istria, Rovinj In the suburbs of the award-winning city of Rovinj, just a few minutes' drive from its center and the old town, a building under construction has found its place and its completion is planned for March 2023. It is located in a quiet location, surrounded by family houses, and there is a children's playground nearby. The apartment is located on the first floor and measures a little less than 86m². At the entrance to the apartment, we come to a spacious living area with a kitchen and dining room, and there is also an exit to the terrace where you can enjoy the fresh air. From the living room, you enter a hallway that leads to three bedrooms, a bathroom and a toilet. The apartment will be air-conditioned with a high-quality air conditioner, and the great thing is that the windows are wide and all rooms are extremely sunny throughout the day. A parking space is provided in the garden of the building. Due to its exceptional location and surroundings, this apartment is a great opportunity for a family property where you will create memories for a lifetime! ID CODE: 1029-201
