Description

Description: In a small settlement in the vicinity of Labin, we are selling an autochthonous stone house that has already been renovated. The semi-detached house has a total living area of 265 m², and consists of a ground floor and two floors, located on a plot of 586 m². On the ground floor there is also a tavern with its own entrance and a cellar, and in the rest of the area there is a wellness area and a bedroom with a bathroom. On the first floor, there is a space for wellness, a bedroom with a bathroom and a living room with a kitchen that is connected to a spacious outdoor terrace with a patio. The second floor would include two bedrooms, each with its own bathroom. There is a swimming pool and a parking lot in the garden. The house is currently in the renovation phase and is being sold as such, and future owners have the option of completing and furnishing the property to their own taste. After the renovation of the property, it represents a true oasis of peace and a wonderful place to escape from everyday life in beautiful green Istria. The location is excellent, on the edge of a small settlement and only 10 minutes drive to the town of Labin, where you can find all the necessary facilities. The first shop is 2 kilometers away.
