Description

Description: Istria, Buzet area For sale is a stone Istrian house for adaptation with more land in a quiet location near Buzet and Motovun. The house extends over the ground floor, 1st floor and 2nd floor, and its area is 83 m². The house requires complete adaptation. The house offers a view of the beautiful Istrian landscape. Next to the house there is a garden of 113 m². There is a possibility of building a swimming pool in the garden. In addition to the house and garden, 4 other plots of land are for sale, which are located in the immediate vicinity of the house. Of those 4 plots, 2 are for construction. One building plot is 628 m², and the other is 200 m². The other 2 plots are agricultural. One agricultural plot is 3239 m², and the other is 1422 m². The house is located in a small and quiet Istrian town between Buzet and Motovun, and near the house there are bicycle paths, walking paths, restaurants, agrotourism, wineries and various other interesting facilities. Considering the quiet location and the proximity of various facilities and the possibility that the property offers with regard to the surrounding land, the house, with renovation, could be an ideal investment in a house for vacations and tourism, but also for family life.
