Description

Description: Istria, Pula, in beautiful ancient Pula, we are selling this interesting property located in a quiet location. The famous Pula market is located a few minutes' walk away, while other facilities such as the Giardini and the Sergius Arch are at a distance of less than one kilometer. Considering that Pula is the main city of Istria, it is rich in facilities and events during the tourist season, as well as facilities that ensure a high quality of life. This interesting real estate in nature consists of two apartments, one one-bedroom and one two-bedroom. Each of the apartments consists of a kitchen, a living room connected to the dining room and one or two bedrooms. These apartments also have a part of the garden where you can enjoy the fresh air. There is a storage room in the basement, while the high attic space offers the possibility to be additionally arranged as a living space. This property is certainly an opportunity given the great potential for family life or tourist rental given the excellent location in Pula where all facilities are within a radius of one kilometer.
