Description

Description: Eastern Istria, Čepić, two stone houses for renovation. We are selling two stone houses for renovation. The houses are located in the settlement Čepić on the East Coast of Istria. The entire property consists of two separate buildings. The first building is a terraced house connected to the neighboring building. The house has two entrances, two floors and a terrace in front of the main entrances. The second building is located opposite and consists of a detached building on two floors with a garden of 102 square meters. Electricity and water connections are on site, complete renovation is required for all facilities. ID CODE: 2000-853
