Description

Description: Tinjan, surroundings, we are selling a spacious building plot ideal for building a holiday home. On the edge of a small settlement near Tinjan, there is a combination of construction and agricultural land for sale. The land has a total area

of 4831 m², of which 2175 m² is within the scope of the construction zone according to the spatial plan, while the rest of 2656 m² is in the agricultural zone. The terrain has a regular shape and a flat surface. An access road from the asphalted road is provided, and the infrastructure of water and electricity is located at the beginning of the land. The plot is ideal for building holiday homes, which is an increasingly popular trend in that area. The location offers peace, quiet and an escape from the city noise, and it is located 20 km from the tourist mecca of Poreč, which offers a handful of facilities throughout the year, but also the most important, beautiful beaches and clear sea.
