Description

Description: Central Istria, Pićan, building plot on the edge of the village with an open view. We are selling a building plot of 1100 square meters, the plot is located on the

edge of the medieval town of Pićna. the land has a regular shape, regulated access and available infrastructure. The land offers an open view of the surrounding hills. The location is suitable for building a holiday home with a swimming pool, as evidenced by the large number of newly built houses and villas in the area. ID CODE: 2000-841
