## Description

Description: Poreč, surroundings, Istria House for sale with a swimming pool under construction in a small and quiet Istrian village 20km away from the town of Porec. At a distance of 15 km is the Lim Bay, which is a karst valley on the west coast of Istria between Porec and Rovinj. Thanks to its natural features and exceptional gastronomic offer, it is now a favorite tourist destination of many gastronomes and lovers of free climbing. There is also a famous cave that once provided a refuge for the famous miracle worker and psychic Romuald, and many adventurers and nature lovers visit it. The house is located on the edge of the construction zone and is surrounded by nature. The house will be spread over two floors on a plot of 643m<sup>2</sup> and its area will be 168m<sup>2</sup>. On the ground floor there will be a spacious living room with dining area and kitchen according to the open space concept, one bedroom with bathroom, toilet, engine room and storage. Glass walls will be installed throughout the living room and dining room, which will allow the space to receive additional light. The living room and dining room will open onto a covered terrace with a summer kitchen. An internal staircase will lead to the second floor of the house, which will have two spacious bedrooms with private bathrooms and exits to the covered terrace. Heating of the house will be provided by underfloor heating and in summer you will be cooled by installed air conditioners. The house will be built of very high quality materials. In the beautifully landscaped garden there will be a heated swimming pool with swimming pool and parking for cars. All the necessary facilities for life such as shops, cafes, restaurants, post office, school and kindergarten are just 8 minutes drive. If you are looking for an investment that is away from the city crowds and yet close to the necessary content, this house is for you! ID CODE: 1022-171
