## Description

### Description:

**EXCLUSIVE OFFER:** We present a project that encompasses two stunning buildings - eastern and western, each with six luxury residential units. Each apartment is carefully designed to provide top-notch quality of life while enjoying a spectacular panoramic view. Beautiful pools await you on the top floors. Each apartment is equipped with breathtaking high-end amenities. From smart home technology that ensures comfort and fingertip control. Heat pumps with underfloor heating, renowned brand multi-split air conditioning systems (MITSUBISHI or DAIKIN), premium ceramics and parquet flooring, and sanitary equipment from selected brands like Grohe and Geberit. **SPECIFICATIONS:** Heating/Cooling: Our apartments are equipped with top-tier heating and cooling systems. Penthouse apartments come with heat pumps and underfloor heating, while other apartments also include electric underfloor heating. For perfect climate control, each room is equipped with a multi-split air conditioning system from renowned brands, MITSUBISHI or DAIKIN. **Bathrooms:** The sanitary equipment sets the standard for luxury. It includes Grohe concealed sanitary faucets, Geberit shower channels, and silent drainage pipes, also from Geberit. **Elegant Floors:** The apartments offer a choice of first-class parquet and ceramics, allowing you to customize your space to your liking. **Smart Technology:** Penthouse apartments come with a Smart Home system, Bticino switch and socket program, and each apartment has water supply installations on the terrace. **Premium Joinery:** Schüco aluminum joinery, blinds, and elegant glass fences contribute to modern design and lasting quality. **Entrance doors** with high-security standards and room doors with discreet hinges. **Privacy Protection:** Video surveillance in common areas ensures your peace and security. The building's facade is clad with stone at the garage level and entrance stairs. **Parking spaces** are provided in the garage, which is connected to the stairwell and modern elevator to all floors. **Flexibility:** Architectural possibilities in this phase allow for adjustments according to your needs. The option to participate in choosing floor coverings according to your preferences is available. We offer the possibility of purchasing garage parking spaces according to your choice (20,000 - 25,000 euros), providing you with complete convenience. **Exterior:** The project comes with beautifully landscaped surroundings featuring Mediterranean plants, creating a perfect place to relax and enjoy. The facade is clad with stone at the garage level and entrance stairs, further contributing to blending into the environment while respecting the project's location. **APARTMENT A-3** It has a total area of 85.11m<sup>2</sup> and is located on the first floor of the western building. It consists of an entrance hall - 9.0m<sup>2</sup>, two bedrooms - 10.97m<sup>2</sup> and 14.60m<sup>2</sup>, two bathrooms - 5.86m<sup>2</sup> and 5.36m<sup>2</sup>, a laundry room - 2.80m<sup>2</sup>, a living room with a kitchen and dining area - 30.24m<sup>2</sup>, leading to a spacious balcony - 12.53m<sup>2</sup>, with a beautiful open sea view. When purchasing a garage parking space, you can choose the desired location from the remaining available options. All apartments are located in a peaceful area, yet close to the lively city. The city center is only 800 meters away, reachable by a pleasant 10-minute walk. The planned move-in date is the end of 2024, allowing you to look forward to and plan your move to your new home in a timely manner. This is an opportunity to become the owner of this

incredible property that offers a blend of nature, sea, and mountains in one of the most beautiful parts of Dalmatia. Contact us today to learn more and reserve your piece of paradise. Your oasis is waiting for you! Responsible Agent: Mirela Lončar Phone: 091/605-6935 Email: mirela.loncar@dogma-nekretnine.com ID CODE: ST2472
