Description

Description:

Istria, Rovinj The town of Rovinj has been recognized for many years as a tourist town, but also as a child-friendly town, which is an excellent indicator that more and more people are choosing to live near the sea. A step away from the city center and all necessary facilities, this apartment is looking for its new owner, while educational institutions and shops are a step away from the apartment. The beach and beautiful promenades by the sea are only 1 km away. This apartment is located on the second floor of the building, and measures approximately 78m², and it also has a storage room on the ground floor of 2.20m². Upon entering the apartment, we come to an entrance hall that leads to other rooms in the apartment, which are a spacious living room with dining room, kitchen, two bedrooms, bathroom and separate toilet. Heating and cooling is carried out by means of an air conditioner, while there is another thermal stove that can be turned on for heating when necessary. The apartment also has a chimney in the living room, and the buyer can buy a stove if desired and connect it to the chimney. This property is an opportunity to invest in the future, either in the tourist or family direction. With a little imagination and renovation, you can have a property according to your wishes and start creating new memories! ID CODE: 1029-274
