Description

Description: ISTRIA, VIŠNجان - Land for the construction of 3 villas overlooking the sea. Višnجان is a picturesque town and municipality in the western part of Istria, between the Mirna River in the north and the Lim Channel in the south, and only 14 kilometers from the city of Poreč. Recently, tourism has been developing thanks to the rich cultural and musical events, the colorful gastronomic offer and the untouched nature and proximity to the west coast of Istria. Višnجان is known for the Višnجان Observatory and for the karst phenomenon of this region - the Baredine cave, which is arranged for visits and is very attractive for tourists. The ideal way to discover the surroundings of Višnجان and its natural beauties are bicycle paths, the most famous of which is the 29-kilometer Star Trail, which passes through Višnجان. In Višnجان, this interesting building plot of 1350 m² with a sea view is for sale! Electricity and water are next to the land itself. The advantage of this property is definitely its position, on the one hand it is owned by the Republic of Croatia and on the other hand it is agricultural, which also guarantees privacy.
