Description

Description: Banjole is a place in southern Istria, about 5 km south of Pula, with excellent traffic connections to Premantura, Pomeranian, Medulin and other well-known settlements. Banjole is known for its well-kept pebble beach Centinera, which will make every day of your vacation special. Not far from the mentioned beach, in an excellent location, in a quiet settlement, a house for adaptation of 48 m², on a plot of 125 m², is for sale. It consists of an entrance room with a kitchen, hallway, bathroom and bedroom. Behind the house there is an auxiliary building of 29 m², which can be used as an apartment or a garage (depending on the wishes of the future buyer). The house is for complete renovation, the title deed is in order and there are no encumbrances. The land is attached to an asphalted road. The property is located in the immediate vicinity of all facilities necessary for a beautiful and pleasant life, while the sea is only a few steps away. Investment opportunity!!! We are available for all inquiries.
