the accumulation of garbage, oil and other things and has a fully automatic self-maintenance. The picture of the pool is from the time before it was finished, there will be new pictures soon. The yard as well as the pool is fully lit. Engine room and storage room 15 m away from the pool for complete peace on the sun deck. There are absolutely no investments in the house and everything is new and never used! The heating system is over the fireplace and the cooling over 2 air conditioners. High-quality materials have been installed in the house, for which the investor has complete photo documentation from the very beginning of construction through the entire phase of construction. The house is clad with a 10 cm thick styrofoam facade and high-quality carpentry, thus entering the rank of a low-energy house. Distance from the sea is 750 m. All utilities (electricity, water, sewage). All necessary facilities (shop, bus, bakery, pizzeria...) are within 50 m. Such an opportunity to buy a newly built, unused villa is a rarity on the market! I am at your disposal for information and inquiries! Contact: Filip Pandurić +385 99 337 5980 ID CODE: IS1511905
