#### Description

Description: Labin, building land with a view of the sea The offer is an old Istrian house for reconstruction and extension with a conceptual design and a geodetic base for the construction of a villa. According to the conceptual project, the villa would consist

of a basement, ground floor and first floor and is equipped with an attractive swimming pool and three parking spaces. All connections are available, including water, electricity and septic tank, ensuring comfort and convenience. In addition, there is the possibility of expanding the garden, which further increases the potential of this property. Also, the conceptual solution for reconstruction and expansion is already available, facilitating the renovation process. The price for both plots with conceptual design is EUR 310,000. Contact us today to find out more and book a viewing of this beautiful property. ID CODE: 2006-242
