Description

Description:

ZADAR, ZATON - Modern villa with a heated pool in a new building. A modern villa in a new building is for sale in Zaton near Zadar. The building with a total area of 230 m² was built on a plot of 511 m². It consists of ground and first floor. On the ground floor there is a spacious living room, kitchen and dining room, bathroom and laundry room and an additional toilet. Upstairs there are four bedrooms with attached bathrooms and a terrace. In the spacious, completely fenced yard of the villa, there is a heated pool of 38 m² with counter-current swimming and a waterfall. In the yard there is also a summer kitchen with a barbecue, a garden and a private parking lot with four parking spaces. The facility is fully air-conditioned, and all rooms have underfloor heating via a heat pump. In the construction, high-quality materials were used, such as thermal insulation on the facade, 10 cm styrofoam, Spanish ceramics were used for floor coverings, sanitary ware from Voxort brand, and carpentry from Feal brand ALU-PVC with mosquito nets and shutters. The villa is located in a quiet part of Zaton, 1 km from the nearest beach. The town of Zaton is an extremely popular tourist destination, given the beautiful beaches in the area and the proximity of the urban center of Zadar, which is only 15 km away. Right next to Zaton is the historic town of Nin, known for its many interesting historical and cultural monuments dating back to the prehistoric era. For example, you can see the remains of the Roman forum there, and the remains of medieval and ancient Croatian war and merchant ships called kondurs were also found in Nin. In Nin there is also the longest sandy beach in Croatia called Kraljičina plaža. In the Nin lagoon there is also a locality with healing mud Peloid, whose beneficial properties were known even in Roman times.
