Description

Description:

MRKOPALJ, SUNGER - fully furnished boutique hotel 400m2 with 7 rooms + environment 5000m2 In the Sunger valley, at the foot of the gentle hills of Bitoraja, on a spacious meadow away from the place, and yet just a few minutes to civilization, there is this special Boutique hotel. The alley of fir and spruce of the Sunger grove, through which you drive towards the Sunger, heralds life and rest in this green oasis of peace and beauty in a completely different way. The wooden house conquers at first sight. It is adorned with comfort, warmth and relaxed comfort, and the view from its windows and spacious wooden terrace of the forest, mountains and deer binds you forever. Comfort and convenience were the two main features they wanted to achieve by decorating this small hotel. That is why the colors are warm, earthy, and the materials are natural. The 7 rooms have handmade furniture, comfortable beds, a work desk and a TV, and each room has its own bathroom with toilet. Two rooms are slightly larger, family, so they have an extra bed. On the ground floor there is a living room with dining area and library, a space dedicated to socializing, relaxing or playing, as who likes. The hotel also has an infrared sauna located on the first floor of the house where the guest rooms are, while the pool, better known as the softtub, is located on the terrace - sun deck. Infrared sauna is known to be one of the most effective detox processes of our body, while outdoor hydromassage pools are famous for the pleasures they provide both during the summer heat and in times of low temperatures and snow. So guests can enjoy it regardless of the outside temperature and time of year. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions:
