Description

Description:	Mrkopalj is one of the oldest Gorski kotar settlements whose long and turbulent history records years of development and crisis, success and decline. Winter tourism has developed in this mountainous area, which is not surprising considering that Mrkopalj is the cradle of Croatian skiing, where the first organized ski competition was held back in 1913, and shortly afterwards in 1934 the first ski jump was built where an international competition was held. jumps. The great wealth of the Municipality of Mrkopalj are certainly the people who

have been accustomed to difficult living conditions here for centuries. They developed a rarely seen hospitality and cordiality which, from the desire to help the occasional traveler, turned into a special tourist trump card, which is primarily revealed in the spontaneity with which the citizens of the Municipality of Mrkopalj welcome their guests. House with 6 rooms consisting of first floor and ground floor. Upstairs there are 6 large fully furnished rooms, each with its own bathroom, sauna and laundry room. The ground floor has a large living room decorated in a mountain style that includes a fireplace, dining room, kitchen, study and bathroom with two toilets. The building has a large garden of 1600 m2 with several parking spaces. Between the house and the parking lot, on the east side in summer lavender dominates while on the west side there is a garden. The house has an uncovered terrace with a jacuzzi of about 40 m2 and a covered of 30 m2 which is in the shade all day. It is also possible to buy a house as a well-established business.
