Description

Description: Istria, Barban, Surroundings, Located near Barban itself, this spacious plot offers an incredible opportunity to realize your dreams. Access from the paved road makes reaching your future home or relaxation haven a breeze. This location is

surrounded by nature and lies at the edge of the construction zone. The village in which it is situated is rapidly developing into a tourist destination, with a growing number of vacation homes, becoming an increasingly popular choice for those seeking an authentic experience of Istria. This expansive 858 sqm plot presents an incredible chance to bring your dreams to life. With a regular shape and level terrain, this plot awaits your creative construction plans. Infrastructure is available right up to the parcel itself, streamlining the construction process. Moreover, the sea is just around 15 km away, offering you the opportunity for a comfortable distance from the coast while enjoying the benefits of sea air. Don't miss the opportunity in front of you! Contact us today for additional information about this unique offer. Your future and potential oasis await. Take a step towards realizing your dreams - reach out to us now! ID CODE: 1018-1034
