Description

Description: Istria, Barban, Surroundings Nestled in the heart of the exquisite Istrian region, not far from the historic town of Barban, an irresistible opportunity presents itself. Here, a spacious building plot stretches out, offering the perfect foundation for

your future project of constructing vacation villas or family residences. The proximity to charming historic Barban further emphasizes the richness of culture and allure of this area. The distinctiveness of this parcel lies in its perfectly regular shape. With an area of 784 m², this plot provides ample room for your imaginative construction plans. Practicality is key - the plot is accessed from the center of the nearby village, ensuring convenient arrival. An additional advantage is the closeness of electricity and water, rendering the construction process straightforward and efficient. This area is becoming increasingly sought-after for tourism, with a plethora of vacation homes and family residences in development. Therefore, whether you dream of creating your own haven in Istria or you are an investor in search of promising ventures, this is an opportunity you cannot afford to miss. Whether you opt for building a vacation villa or a family home makes no difference: this parcel offers the potential to realize your dreams. The enchanting region of Istria awaits your personal discovery. Contact us today to learn more about all the possibilities this building plot holds. Your future awaits - reach out to us and embark on the journey toward making your dreams come true! ID CODE: 1018-1033
