Description

Description:	<p>Surrounded by vineyards, olive groves and other Mediterranean plantations, this estate is only 200m from the sea, Koversada and the Lim Bay, and a kilometer from the top tourist town of Vrsar. On beautifully cultivated agricultural land with an access road, there is a self-sustaining mobile home where you will really want to host a big party or even just enjoy the peace and nature. The beginning of the land is fenced with stones, there is also a parking lot from which you continue along the tree line, which has a lot of space for new ideas. Then you come to the main part of the land with a beautiful garden with a bar in the right position. Solar panels with their own power plant and a system for collecting rainwater enable you to be completely self-sufficient, and the interior of the house creates a real atmosphere. An innovative fireplace is integrated in the living room, which heats up the entire space in a few minutes. The entire plot is fenced with a wire fence. The land is really something special, without crowds, neighbors, but still only 4 minutes by car or 15 minutes on foot to Vrsar, which offers a handful of possibilities. If these are your criteria then just come and enjoy. ID CODE: IS1511967</p>
