Description

Description:	<p>An exiting opportunity to acquire a residential building plot in a great location. The corner plot in Palit occupies a prominent position. Situated high up, it offers a fantastic sea view, and being west-facing, it offers sun during day and night. The plot contains many old beautiful olive trees and is positioned in a quiet area, approximately 10 min car journey to the old town of Rab. The plot is suitable for those who want to build a larger property or house. The sellers are flexible with the size of the plot and road. It is located at the end of the construction zone, offering great privacy, and is surrounded by a Mediterranean forest in north northwest. The current owner owns the land northwest of the plot as well, this gives the buyer the option to buy land outside the construction zone which can be used for farming. ID CODE: RAB186</p>
