Description

Description:	ISTRIA, MARČANA - Detached house with swimming pool Marčana is a municipality in the southeast of the Istrian peninsula. It is located about 12 km
--------------	--

northeast of Pula, the largest city in Istria. It is known as a destination for the sea, holidays, wine and olive oil. It is a culturally rich settlement with crystal clear sea and an almost unreal landscape consisting of gorgeous bays and green peninsulas. Its 36 kilometers of coastline is the least urbanized coastal zone in Istria. Marčana and its fertile green fields, with gentle hills that descend to hidden rocky coves and secluded villages and towns are an undiscovered treasure of the eastern coast of Istria. A detached house with a heated pool is for sale, located in a quiet location near the sea. The size of the house is 72 m², and it is located on a plot of land of 315 m². It consists of a kitchen, dining room, living room, two bedrooms and a bathroom and a separate area with a washing machine. The house is fully air-conditioned, and a pellet stove is used for heating. From the living room there is access to a fully fenced yard where there is a swimming pool, a terrace, and a barbecue. The yard is nicely decorated, regularly maintained and has enough privacy, considering that the property is surrounded by a green fence that hides it from unwanted views. Ideal property for tourist rental or family life. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 29452
