Description

Description: Apartment with an area of 89 m², near the city center, consists of 3 bedrooms, two modern bathrooms, hallway, open space kitchen and living room. Currently, air conditioners are used for heating purposes, but it is planned to install Norwegian radiators, which will further increase the energy efficiency of the apartment. The apartment is renovated and modernly decorated. It also has a loft that provides additional storage space. The special advantage of this apartment is the three terraces that offer a beautiful open view of the old town. The apartment is located in a residential building with security doors and a large parking lot behind the building. All amenities necessary for life are within walking distance from the property.
