Description

Description:

ISTRIA, SVETI KIRIN - Duplex villas for sale surrounded by nature It is about two villas, each with its own individual entrance, which are located on the same plot and are being sold as such. The location of these super villas is one of the key reasons for the investment, because they are located in a quiet location, surrounded by nature and holiday homes, in an isolated location. Each villa has 240.50 m2 of living space, and extends over a total of three floors. On the lowest floor in the basement there is a large room for hanging out with various social games such as billiards and table football, a bathroom, a technical room and a storage room. The second floor of the villa on the ground floor consists of an entrance hall, an open space living room with a kitchen and dining room, a bedroom with a toilet and a laundry room, a spacious outdoor covered terrace with an outdoor kitchen from which you can enjoy a wonderful view of the pool and nature. On the first floor there are three bedrooms, each with its own bathroom, we would definitely add that each bedroom has direct access to its own covered terrace. 4 air conditioners were installed in each villa, underfloor heating, aluminum joinery with mosquito nets. Each has a separate yard with a large swimming pool that is used for refreshment in the summer heat. Each villa has three parking spaces. These super investment villas start construction this year, and the planned completion is December 2025. They are also a great opportunity for a larger family that would like to have some privacy during their stay, so they can be accommodated in two houses. The seller is a company. Ownership 1/1 No burden. **DIRECT CONTACT WITH THE AGENT:** Agent: Nikola Baltić. | Mobile: 095 377 5581 | E-mail: nikolabaltic0@gmail.com
